Broadcast Message

The diagram illustrates a 'Broadcast message' form. The form is titled 'Broadcast message' and contains three main input fields: 'Subject' (a text box with the placeholder 'Subject'), 'Body' (a large text area), and 'Priority' (a dropdown menu with 'HIGH' and 'NEUTRAL' options). Below the form are two buttons: 'Send' and 'Cancel'. A callout box points to the 'Send' button with the text 'message/administrator/broadcast.do [POST:send]'. Another callout box points to the 'Cancel' button with the text 'welcome/index.do'. A third callout box points to the top right of the form with the text 'message/administrator/broadcast.do message/administrator/broadcast.do [POST: send]'. A fourth callout box points to the right side of the form with the text '- messageToBroadcast: Message'.
